

Strategy 2: Best Practices for Instruction

Goal 4: We will implement a schedule that incorporates research-based best practices for increased student learning and achievement

Objective(s) Addressed: Student Achievement, Student Performance

Activity	Timeline	Responsibility	Resources/Funding
1. Conduct research by visiting other schools.	By Spring 2009	Research Committee	sub pay \$2400
2. Conduct research by reviewing/reading the current research.	By Spring 2009	Research Committee	sub pay \$800
3. Recommend a schedule that incorporates best practices for student learning and achievement.	During the school year 2009-10	Research/Recommendation Committee	sub pay/curriculum pay Transition Team \$2400
4. Review and discuss effects of implementing the recommended schedule with all stakeholders.	During the 2009-10 school year	Administration/District Recommendation Committee	sub pay and/or curriculum pay
5. Implement the recommended schedule.	2010-11 school year	Administration/District	current funding

Costs		Benefits	
Tangible	Intangible	Tangible	Intangible ble
Sub Pay	Stress of change	Increase of test scores and grades	More students ready to learn at start of the day
Curriculum Pay	Staff adjusting their teaching style		
Bus changes?			
HEA contract			

Evaluation Plan and Key Outcome Measures

Data	Baseline	Target
Attendance Data (Tardies, Absences)	Current numbers	Decrease numbers
Student Course Achievement and Performance Data (Period 1 vs. Period 4, "blocked" courses)	Current data	Data discrepancy not attributed to schedule factors
